Dear Ms. Ancona:

RE: MECA Tariff M.P.S.C. No. 25-U  
TAM Transmittal No. 2

Enclosed is one copy of MECA's Tariff M.P.S.C. No. 25(U) revisions for filing with the Commission pursuant to Public Act 179 of 1991, as amended, MCL 484.2101 et seq.

The revisions fall under Part I and Part XVII and make changes to several switched access rates for various TAM member companies to mirror changes to the corresponding interstate rates for the same switched access rate elements in the June 16, 2011 tariff filing by the National Exchange Carrier Association ("NECA"), effective July 1, 2011.

MECA M.P.S.C. Tariff No. 25(U) can be viewed in its entirety at [www.telecommich.org/news/?newsid=163](http://www.telecommich.org/news/?newsid=163).

The sheets that contain changes can be viewed at [www.telecommich.org/Documents/25TAMtransmittal2.pdf](http://www.telecommich.org/Documents/25TAMtransmittal2.pdf).

The effective date of these changes is July 1, 2011.

INTRASTATE ACCESS SERVICE

APPLICATION OF TARIFF

APPLICATION

- A.) Except as otherwise provided in this tariff, the rates, regulations, terms and conditions for Intra state Access Service offered by Ace Telephone Company of Michigan ("The Company") for the Old Mission Exchange shall be the same as those filed by the Company for the Old Mission Exchange in the NATIONAL EXCHANGE CARRIER ASSOCIATION, INC. (NECA) Tariff F.C.C. No. 5 and No. 3 and any revisions to same which may be filed in the future.

The Company's rates as set forth in this Tariff were established in compliance with the Michigan Telecommunications Act (MTA), including as amended by Public Act 182 of 2009. In the event that any rate restrictions for intrastate access service contained in the MTA or 2009 PA 182 are amended, repealed, vacated, or otherwise inapplicable or ineffective, the Company reserves the right to adjust its rates in this Tariff in accordance with applicable law.

To the extent that this Tariff refers to a specific provision of a NECA Tariff, such reference is to the NECA Tariff as it existed on the effective date of the sheet in this Tariff that contains said reference. If the referenced provision in a NECA Tariff is revised, renumbered or moved within the referenced NECA Tariff, this Tariff's reference shall be to the provision as revised, moved or renumbered.

B.) Exceptions to the NECA Tariff F.C.C. No. 5

- 1.) Where plain English reading of the material makes sense, the word "interstate" should be replaced with the word "intrastate".
- 2.) With the exception of the rates listed on Sheet No. 4, all other rates are those approved in NECA Tariff No. 5.
- 3.) References to PIU in this tariff refer to Percent Intrastate Use.
- 4.) The first paragraph in Section 2.3.11(A) should be changed to read:  
  
. . . to the Telephone Company in writing that not more than ten percent of the traffic is interstate, the service is considered to be intrastate and is provided under this Tariff.

B.) Exceptions to the NECA Tariff F.C.C. No. 5 (Cont'd)

- 5.) The following sentences should be added to the end of section 2.3.11(C)(1)(a):

If no order for service has been received for originating and/or terminating usage, the Company shall set jurisdictional percentages according to section 2.3.11(C). In the instance the customer has failed to update the percentages after 12 months, the Company may assign a 50% intrastate usage percentage.

- 6.) The following paragraphs should be added to Section 2.3.11(C)(4)(b):

If the customer fails to produce the data within thirty (30) days of the receipt of the notice, the Company will designate an intrastate percentage of 50% for each service. The factor will be applied to the next billing cycle following the thirty (30) day notice period and will be utilized until the customer provides supporting data that substantiates the requested percentages.

If the Company finds that the data submitted by the customer does not adequately support the reported percentages, the Company may assign percentages based on the methodology specified in Section 2.3.11(C). Upon assigning an intrastate percentage of use, the Company will notify the customer of the change and that it will go into effect on the next billing cycle. The Company's designated percentage will remain in effect for twelve (12) months unless the customer contests the percentage as described in Section 2.3.11(C).
