

June 29, 2015

Robin Ancona
Director
Telecommunications Division
Michigan Public Service Commission
7109 W. Saginaw Hwy.
P.O. Box 30221
Lansing, MI 48909

Dear Ms. Ancona:

RE: MECA Tariff M.P.S.C. No. 25-U/TAM Transmittal No. 32

Enclosed is one copy of MECA's Tariff M.P.S.C. No. 25(U) revisions for filing with the Commission pursuant to the Michigan Telecommunications Act (MTA), Public Act 179 of 1991, as amended, MCL 484.2101 et seq.

The tariff filing is (1) to revise the Rate Band Matrix listed in the Preface of MECA's MPSC Tariff 25U to reflect changes in the NECA rate band assignments for switched and special access services which are effective July 1, 2015, (2) to revise the special access rates to mirror the special access rates set forth in NECA F.C.C. Tariff No. 3 and 5 for Ace Telephone Company of Michigan, set forth in Part XVII – Ace Telephone Company of Michigan, Part XVII Ace Tel Co of Michigan, Inc. – Allendale, Part XVII Ace – Old Mission, and Part XVII Ace Tel Co of Michigan, Inc. – Allendale/Drenthe Exchange, and (3) to reflect the removal of tariff pages for Chippewa County Telephone Company ("Chippewa") following the merger of Chippewa into Hiawatha Telephone Company with the latter as the surviving entity.

Also, this letter is to advise the MPSC Staff that no revisions to the end office or local switching rates for any of the companies included in this tariff are necessary to comply with applicable FCC rules. Since the intrastate end office or local switching rates mirror the rates in NECA Tariff F.C.C. No. 5, any required reductions in those intrastate rates are reflected in NECA's June 16, 2015 tariff filing with the FCC.

MECA M.P.S.C. Tariff No. 25(U) can be viewed in its entirety at www.telecommich.org/news/?newsid=163.

The sheets that contain changes can be viewed at www.telecommich.org/Documents/25TAMtransmittal32.pdf.

The effective date of these changes is July 1, 2015.

If you have any questions regarding the above, please contact our office.

Yours truly,

Scott Stevenson
President

SS/ma

cc: Paul Negin, MPSC

ACCESS SERVICE

1. Application of Tariff

- 1.1 This tariff contains regulations, rates and charges applicable to the provision of Carrier Common Line, End User Access, Switched Access, Special Access, Digital Subscriber Line Access Service, Public Packet Data Network Services, Ethernet Transport and other miscellaneous services hereinafter referred to collectively as service(s). The regulations, rates, and charges in this tariff apply to the provisioning of Access Services for connection to Intrastate Communications Facilities for Intrastate Customers. These services are provided to customers by the Issuing Carriers of this tariff, hereinafter the Telephone Company. This tariff also contains Access Ordering regulations and charges that are applicable when these services are ordered or modified by the customer. (C)
- 1.2 The provision of such services by the Telephone Company as set forth in this tariff does not constitute a joint undertaking with the customer for the furnishing of any service.
- 1.3 (Omitted, not applicable to the State of Michigan.)
- 1.4 Unless there is a specific exception set forth in this tariff, the regulations, rates, terms, conditions and charges for the services are those set forth in the National Exchange Carrier Association, Inc.(NECA) Tariffs F.C.C. No.3 and No. 5 as they now exist, and, as they may be revised, added to or supplemented.
- 1.5 Company-specific switched and special access rate band information for those Companies which mirror NECA tariffed rates is available in a matrix in the Preface section of this tariff. To determine the appropriate band rate for use in the NECA tariffs, locate the company name on the matrix and apply the rate band listed for the appropriate service to the pricing sections of the NECA tariff.
- 1.6 Company-specific switched access rates for each of the CLECs are set forth as exceptions to NECA Tariff F.C.C. No. 5 in Part XVII of this tariff.
- 1.7 Company-specific special access rates are set forth as exceptions to NECA Tariff 5 in Part XVII of this tariff for certain companies. Check the Part XVII for each Company to determine whether its special access rates for intrastate services are the same as the rates for interstate services set forth in NECA Tariff F.C.C. No. 5, Part XVII.
- 1.8 MECA 25U Tariff Part Numbers mirror NECA 5 Tariff Section Numbers with the following exceptions:
- MECA 25U Part 16-Special Construction can be found in NECA 3.
- MECA 25U Part 18-Public Packet Data Network Services can be found in NECA 5 Section 16. Services include Frame Relay Access Service, Asynchronous Transfer Mode Cell Relay Access Service, Ethernet Transport Services, and Internet Protocol Gateway Services.

Issued: June 29, 2015

Effective: July 1, 2015

Issued under the authority of 1991 Public Act 179, as amended, MCL 484.2101 et seq.

ACCESS SERVICE

17ACE. Rates and Charges (Cont'd)

17ACE.3 Special Access Service

17ACE.3.1 Application of Tariff

- (A) Unless there is a specific exception set forth later in Part XVII of this tariff, the regulations, rates, terms, conditions and charges for the intrastate special access services offered by the Telephone Company are those set forth in the National Exchange Carrier Association, Inc. (NECA) Tariffs F.C.C. No. 3 and No. 5 as they now exist, and, as they may be revised, added to or supplemented.
- (B) Company-specific switched and special access rate band information for those companies which mirror NECA Tariff F.C.C. rates is available in a matrix in the Preface section of this tariff. To determine the appropriate rate band rate for use in the NECA tariffs, locate the company name on the matrix and apply the rate band listed for the appropriate service to the pricing sections of the NECA tariff.
