LOCAL TELEPHONE EXCHANGE SERVICE

SERVICE CHARGES

A. GENERAL

1. Service charges are applicable with the establishment of telephone service, and for subsequent moves, changes and additions thereto as specified in the tariff.
2. Service charges consisting of one or more of the following charges apply for new or additional service or changes in service which require the activity or work as briefly indicated under "Changes" or as specified Application of Charges or as modified by specified tariff items elsewhere in the tariff.

B. APPLICATION OF CHARGES

1. Establishment of Service - An establishment of service charge applies on each customer order when a new customer account is established. A customer order involving an existing account (made subsequent to establishment of the account) also has an establishment of service charge as shown under "Charges". The Establishment of Service Charges to existing accounts applies when an existing customer's order involves, lines, outside plant, work on the customer's premises, station equipment, or other items for which monthly rates are established.

The Establishment of Service Charges also applies to:

Establishment of a special billing number account at the customer's request. Restoral of service temporarily disconnected for nonpayment.

The Establishment of Service Charge does not apply to:

Change in grade of service. Change in billing address. Change in classification of service, both business and residence.

2. Line Connection Charge - A line connection charge is made for each line on which work is required by the service order, in the central office, outside plant, drop wire or other portion of plant up to the premises served.

Included are such items as a change in telephone number made at the request of the customer, restoral of service temporarily disconnected for nonpayment.

3. Premise Visit - A charge applies to each customer's order which requires a premise visit. This charge applies per premise or same continuo us property of the customer.

4. Other Applications or Exceptions to Service Charges:

- a. The charges specified herein do not contemplate work being performed by the company employees at the time when overtime wages apply due to the request of the customer nor do they contemplate work begun being interrupted by the customer. If the customer request overtime labor being performed or interrupts work once begun, a charge in addition to the specified charges will be made equal to the additional cost involved.
