LOCAL TELEPHONE EXCHANGE SERVICE  
APPLICATION AND ARRANGEMENT OF TARIFF

APPLICATION

1. This Tariff applies to Local Telephone Exchange Services of the Ace Telephone Company of Michigan, Inc. - hereinafter referred to as the Telephone Company - in exchanges in Michigan as designated herein.
2. Local Telephone Exchange is that of furnishing facilities for telephone intercommunication between customers within a Local Service Area.
3. The provision of service is subject to regulations specified in the M.P.S.C. Tariffs of the Telephone Company, which tariffs as they now exist or as they may be revised, added to, or supplemented by superseding issues are hereby made a part of this Tariff.

EXPLANATION OF SYMBOLS

- (C) Signifies a changed regulation
- (D) Signifies a discontinued rate, treatment or regulation
- (I) Signifies an increased rate, or new treatment resulting in increased rate.
- (N) Signifies a new rate, treatment or regulation
- (R) Signifies a reduced rate, or new treatment resulting in reduced rate

GRANDFATHERED SERVICES

- A. "Grandfathering" of Existing Service Offerings No Longer Offered for New Installations

GENERAL

There are certain service offerings which have been discontinued to new customers but continue for specific customers who are subscribing to them at the time of their discontinuance. These exceptions to regular Tariff provisions are referred to as the "grandfathering" of the customers involved. The service offerings continued on this basis are identified in the following tariffs and are subject to the conditions specified in paragraph B below.

- B. Service Offerings and Rate Treatments

Grandfathered service offerings are continued only for existing customers at existing locations. The rates for grandfathered services are subject to change in the same manner and to the same extent as regular service offerings. No new or additional "grandfathered" services will be furnished. Where a new customer takes over existing telephone service, with or without a change in directory listing, where the customer initiates a change in class of service or where there is a break in the continuity, the "grandfathered" service is no longer available. The renting or leasing of the premises on which the service is provided to someone other than the existing customer voids the furnishing of the grandfathered service, whether or not the telephone service remains in the name of the original customer.

LOCAL TELEPHONE EXCHANGE SERVICE  
DIRECTORY LISTINGS

A. GENERAL

1. Directory Listing regulations apply to listings in the regular alphabetical list of names of customers, commonly referred to as "white pages".
2. A single listing in the alphabetical section of the directory is provided to a customer without extra charge. Listings are intended primarily for the purpose of identification and are limited to information which is essential to such identification. Directories are furnished and the Telephone Company reserves the right to refuse to insert any listing in its directories which does not facilitate directory service.
3. The length of any listing is limited to one line by the use of abbreviations when the clearness of the listing and the identification of the customer are not impaired thereby. When more than one line is required to properly list the customer, no additional charge is made.
4. The Telephone Company will refuse to list in the alphabetical section of the telephone directory any listing which does not constitute a legally authorized and adopted name, and/or any name which is likely to mislead or deceive the public as to the identity of the customer, or consisting of figures and symbols, or which is inserted for advertising purposes, or which is more elaborate than is reasonably necessary to identify the customer. The Telephone Company will withdraw any listing which is found to violate the above rule.
5. When a customer contracts for more than one individual line of the same class and at the same location, consecutive telephone numbers may be assigned to such lines and in such cases the use of more than one listing is unnecessary for the efficient handling of the service.
6. Upon written request, a customer's listing may be omitted from the directory, Connection with such non-published stations are completed only when requested by telephone number.

B. BUSINESS LISTING

1. A listing must be the name of the individual, partnership, corporation, firm, association, institution etc., to whom service is furnished; or the name of a member, officer, employee or representative thereof; or the name of another business house which the customer represents; controls or owns. Listings other than those specified herein are available only in connection with Joint User Service.
2. The listing of a service, commodity or trade name - such as "Coal; 237 W. 5th Street; 346-5376:" - appearing in the sequence of alphabetical names is not permitted.
3. When a customer is engaged in more than one line of business, only the business by which he is best known will ordinarily be included in the business designation.
4. Double name listings or the use of titles such as "Pres.", "V-Pres.", "Mgr.", etc., are not permitted - for example, "Paramount Supply Co., John Drake, Manager; 243-4365.
5. Listings of telephones in churches will not include in the same listing the name of the church and also that of its pastor or of organizations or societies associated therewith.
6. A caption listing - for example, the listing Masonic Temple under which is indented Auditorium, Banquet Room, Chapter Floor, each with telephone number - is provided only if necessary for the efficient use of the service; no additional charge is made for the caption listing. The caption must be of an essential part of the listings which follow. The names of individuals are not inserted under a caption, but will be shown in their proper alphabetical sequence in the directory. Indented listings which do not materially add to the information contained in the caption or which are designed to advertise the extent of the customer's business are not permitted.
