## LOCAL TELEPHONE EXCHANGE SERVICE

### LIFELINE SERVICE

#### A. DESCRIPTION

1. Lifeline applies discounts to monthly recurring rates for qualifying residential customers. These discounts are applied to existing rates and charges for residential telephone service.
2. In order to be eligible for Lifeline a residential customer's annual household income must be at or below 150% of the poverty level as determined by the United States Department of Health and Human Services and as approved by the State Treasurer, or the person must participate in one of the following programs:
  - a. Medicaid
  - b. Supplemental Nutrition Assistance Program (SNAP) – Food Stamps
  - c. Supplemental Security Income (SSI)
  - d. Federal Public Housing Assistance/Section 8
  - e. Low Income Home Energy Assistance Program (LIHEAP)
  - f. National School Lunch Program's free lunch program
  - g. Temporary Assistance for Needy Families (TANF) a/k/a Family Independence Program
3. Lifeline includes the services and functionalities enumerated in by the FCC. as follows: voice grade access to the public switched network or its functional equivalent; minutes of use for local service provided at no additional charge to end users; access to the emergency services provided by local government or other public safety organizations, such as 911 and enhanced 911, to the extent the local government in an eligible carrier's service area has implemented 911 or enhanced 911 systems; and toll limitation services.
4. Other services can be provided with Lifeline at applicable rates and charges.
5. Proof of eligibility will be required for all initial Lifeline applicants and all Lifeline recipients will be required to re-certify every year.

#### B. REGULATIONS

1. Regulations specified elsewhere in the Company's tariffs apply to Lifeline.
2. Lifeline is available only with residence services, excluding foreign exchange service. Lifeline is limited to a single subscription per household where household is defined to be any individual or group of individuals who are living together at the same address as one economic unit. For the purposes of this rule, an economic unit consists of all adult individuals contributing to and sharing in the income and expenses of a household.
3. A miscellaneous service charge does not apply when Lifeline is added or discontinued to existing service when that is the only work being done.
4. The Lifeline plan will apply after receipt and processing of a completed Lifeline application, including documentation indicating that the household income meets the eligibility standards established above.
5. Customers of Lifeline must notify the Company of any changes which would affect qualification. Recerification of eligibility will take place on an ongoing basis. When the customer is no longer eligible for Lifeline service, the Lifeline discount will be discontinued and regular tariff rates and charges will apply.
6. As a participant in Lifeline, customers are eligible to receive toll blocking service at no charge. This service will only be provided at the customer's request. Toll blocking service is defined as a central office service that restricts access to the network. Toll blocking is provided where facilities permit and will not allow 1+, 0+, 0-, 101XXXX, 900, or interzone calls to be completed. Toll blocking does not restrict local calls, calls to intraNPA directory assistance, telephone repair service, 911, or calls to 800 or 950 numbers.
7. Local service deposit requirements will be waived for customers who voluntarily receive Toll Blocking Service.
8. Participants in Lifeline shall not be disconnected from local service for nonpayments of toll charges. In addition, The Company will not deny re-establishment of local service to customers who are eligible for Lifeline and have previously been disconnected for nonpayment of toll charges.
