LIFELINE SERVICE

B. REGULATIONS

1. Regulations specified elsewhere in the Company's tariffs apply to Lifeline.
2. Lifeline is available only with residence services, excluding foreign exchange service. Lifeline is limited to a single subscription per household where household is defined to be any individual or group of individuals who are living together at the same address as one economic unit. For the purposes of this rule, an economic unit consists of all adult individuals contributing to and sharing in the income and expenses of a household.
3. A miscellaneous service charge does not apply when Lifeline is added or discontinued to existing service when that is the only work being done.

When the customer is no longer eligible for Lifeline service, the Lifeline discount will be discontinued and regular tariff rates and charges will apply.
6. As a participant in Lifeline, customers are eligible to receive toll blocking service at no charge. This service will only be provided at the customer's request. Toll blocking does not restrict local calls, calls to intraNPA directory assistance, telephone repair service, 911, or calls to 800 or 950 numbers.
7. Local service deposit requirements will be waived for customers who voluntarily receive Toll Blocking Service.
8. Participants in Lifeline shall not be disconnected from local service for nonpayments of toll charges. In addition, The Company will not deny re-establishment of local service to customers who are eligible for Lifeline and have previously been disconnected for nonpayment of toll charges.
