LOCAL TELEPHONE EXCHANGE SERVICE

Exchange: OGDEN CENTER  
and  
EXPANDED LICENSE AREA APPROVED  
IN MPSC CASE NO. U-16914

(N)  
|  
(N)

A. GENERAL

1. The provision of service at the rates shown below is subject to the regulations given in the General Rules and Regulations as they now exist and are filed with and form part of this Tariff.
2. The rates shown below entitle the customer to messages without other charge to all stations bearing the designation of a central office of the following exchanges, which comprise the Local Service Area:

OGDEN CENTER	SAND CREEK	LYONS, OHIO
ADRIAN	METAMORA, OHIO	BLISSFIELD

Ogden will block calls dialed 1-plus to stations within the Ogden Center, Adrian, Sand Creek, Metamora, Lyons and Blissfield exchanges. Ogden will treat calls dialed without 1-plus (7-digit dialed) as local calls and Ogden will bill those calls according to this tariff.

3. Calls made to a telephone number with an NPA NXX that is associated with the rate center that is within the customer's local calling area are local calls regardless of the physical location of the called party.

B. MONTHLY RATES: Within the Base Rate Area:

<u>Class of Service</u>	<u>ALL</u>
Residence 1-Party Line	\$24.91
Business 1-Party Line	\$27.54

LOCAL MOU RATE

For calls dialed to a station bearing the designation of a central office within the Ogden Center, Sand Creek, Lyons, Adrian or Metamora exchanges, the Company will charge the following:

First 2,000 Conversation MOU in each billing period	\$0.00 per Conversation MOU
Each Conversation MOU over 2,000 <i>in</i> that billing period	\$0.00 per Conversation MOU

For calls dialed to a station bearing the designation of the Blissfield exchange, the Company will charge the following:

First 2,000 Conversation MOU in each billing period	\$0.00 per Conversation MOU
Each Conversation MOU over 2,000 <i>in</i> that billing period	\$0.045 per Conversation MOU

The Company will measure Conversation MOU from the time when the Company's switching equipment receives answer supervision to the earlier of when the Company's switch receives disconnect supervision from the Ogden switch or from the terminating switch.

The Company will measure local Conversation MOU to the next higher whole MOU per call.

The Company will not bill the end user for non-conversation time related to local calls.

Local Conversation MOU do not include 0-plus or 0-minus calls.

The Company will not provide call record detail for local usage.

No MOU are carried forward from month to month

LOCAL TELEPHONE EXCHANGE SERVICE  
APPLICATION OF BOUNDARY DESIGNATIONS

A. GENERAL

1. Application of Boundary Designations

- a. Boundaries for Base Rates Areas, Locality Rate Areas and the service areas for exchanges are designated on maps in Tariff M.P.S.C. No. 1.
- b. Each establishment is within only one Exchange service area except as provided in c. below.
- c. Where the boundary is designated as a road (street or highway) the area includes that side of the highway on which are located the general plant facilities serving both sides of the highway. When such facilities are located on the near side of the highway, a customer located on the opposite side is considered to be within the area if he can be served by a drop wire using not more than one additional pole; when the general facilities are located on the far side of the boundary, a customer on that side is considered to be within the area if he can be served by means of a drop wire not requiring any additional poles.
- d. Where the boundary is designated as the center of the road (street or highway) each side of the road is in a different service area.
- e. Where the boundary is designated as a river (stream) or railroad each side of the river or railroad is in a different service area.
- f. Where the boundary divides a lake, the shore of the lake is in different service areas in accordance with the boundary designation at the shore line.
- g. Where the boundary is designated as a Township Section Line or a specified distance from a Township Section Line, the customers are served in accordance with their location with respect to such boundary line. When such a line is other than the section line or one quarter or one half mile from a section line, the location of the boundary line with respect to the section line will be shown in feet or fractional miles on the Tariff Map Sheet.
- h. Maps in this tariff show the approximate location of the Company's licensed service territory. In the event of any inconsistency between the boundaries shown on any map in this tariff and a geographic description in this tariff, the geographic description shall control.

LOCAL TELEPHONE EXCHANGE SERVICE

SERVICE CHARGES

A. GENERAL

1. The Service Charges covered herein are applicable in connection with the establishment of telephone service and subsequent moves, changes and additions of lines.
2. Service Charges
  - a. The Service Ordering Charge is the charge for work performed by the Telephone Company in connection with the receiving, recording and processing of customer requests for service and equipment ordered to be performed or provided at the same time, on the same system and on the same premises. The term "per order" means all work or service ordered at the same time for the same account.
  - b. The Line Connection Charges applied to each central office line (exchange line, trunks, etc.) for work required in the central office and outside plant, including restoral of service after temporary disconnection of service for nonpayment.
3. Customer Premises
  - a. A premises is a building, portion of a building or buildings on the same continuous property occupied by the customer in the conduct of his business or occupied by the customer as a residence. All space for offices occupied by a customer on the same or separate floors of one building are considered as a single (or same) premises.
    - (1) Same continuous property shall mean an uninterrupted plot of land within the same block and occupied by one customer. Same block is defined as parcel of land enclosed but uncrossed by public thoroughfares. Railroad tracks, rivers and alleys are not considered as public thoroughfares.
    - (2) A building shall mean a structure on one foundation or two structures on separate foundations with a common wall or abutting walls with ready access from one structure to the other by means of doorways or permanent openings through the intervening wall or walls. Structures in the same or different block occupied by one customer and connected by passageways shall be considered as the same building if the passageway is actually used as a continuation of the space in the two buildings and not principally used as a walkway.

LOCAL TELEPHONE EXCHANGE SERVICE

SERVICE CHARGES

GENERAL (Continued)

4. Additional Conditions

- a. Service charges are in addition to all other applicable rates and charges associated with the service being provided.
- b. The charges specified herein do not contemplate work being performed by the Company employees at a time when overtime wages apply due to the request of the customer or do they contemplate work begun being interrupted by the customer. If the customer requests overtime labor being performed or interrupts work once begun, a charge in addition to the specified charges will be made equal to the additional cost involved.

5. Restoral of Service

- a. Service discontinued by the Telephone Company because of nonpayment when the service has not been disconnected is subject to the Restoral of Service Charge.
- b. When service is rendered inoperative by fire or other causes beyond the control of the customer which render the premises unfit for occupancy, the same service or type of equipment as destroyed will be re-established at the same or different location, at the option of the customer, without Service or Installation Charge.
