Dear Ms. Ancona:

RE: Winn Telecom Tariff M.P.S.C. No. 1(R)  
TAM Transmittal No. 3 Third Errata

Enclosed is one copy of the third errata to Winn Telecom's Tariff M.P.S.C. No. 1(R) revisions for filing with the Commission pursuant to Public Act 179 of 1991, as amended, MCL 484.2101 et seq.

This submission is to correct an error regarding the deletion of the listing of certain exchanges included in the local calling areas for basic local exchanges which Winn Telecom is serving. The purpose of this errata filing is to correct an error that had mistakenly changed the scope of the local calling areas of the exchanges served by Winn Telecom. This filing clarifies that Winn Telecom has the same local calling areas in the exchanges of the ILEC, Frontier, where Winn Telecom is serving the same exchanges.

Winn Telecom's Tariff M.P.S.C. No. 1(R) can be viewed in its entirety at <http://www.telecommich.org/winn-telecom>.

The sheets that contain changes can be viewed at: <http://www.telecommich.org/winn-telecom>.

The effective date of these changes is May 20, 2016.

If you have any questions regarding the above, please contact our office.

Yours truly,

Scott Stevenson  
President
