RE: Midway Telephone Company Tariff M.P.S.C. No. 1(R)
TAM Transmittal No. 7

Dear Ms. Ancona:

Enclosed is one copy of Midway Telephone Company's (Midway) Tariff M.P.S.C. No. 1(R) revisions for filing with the Commission pursuant to Public Act 179 of 1991, as amended, MCL 484.2101 et seq.

This filing reflects the following changes in the Company's rates and service offerings: (1) an increase in residence 1 party line rates to \$30.00 per line per month; (2) an increase in single line business rates to \$32.00 per line per month; (3) an increase in multi-line business 1 party line rates (6 or fewer lines) to \$25.80 per line per month; (4) an increase in multi-line business 1 party line rates (7 or more lines) to \$23.30 per line per month; (5) the elimination of an "educational" access line rate; (6) the elimination of a PBX trunk access line rate; (7) a rate decrease in several "Safety+net Bundled Phone and Internet Offerings"; and (8) the introduction of two additional "Safety+net Bundled Phone and Internet Offerings"; and (9) the elimination of obsolete provisions for touch call service because the functionality is a new standard feature in each access line.

Midway's Tariff M.P.S.C. No. 1(R) and the transmittal letter showing the sheets containing changes can be viewed at <http://telecommich.org/midway>.

The effective date of these tariffs is October 1, 2017.

Yours truly,

Scott Stevenson
President
