RE: Midway Telephone Company Tariff M.P.S.C. No. 1(R)
TAM Transmittal No. 8

Dear Ms. Ancona:

Enclosed is one copy of Midway Telephone Company's (Midway) Tariff M.P.S.C. No. 1(R) revisions for filing with the Commission pursuant to Public Act 179 of 1991, as amended, MCL 484.2101 et seq.

This filing eliminates the separate charge for the optional feature of having an unlisted phone number. This filing (1) eliminates the separate charge for the optional feature of having an unlisted phone number for any Safety+net Bundled Phone and Internet Offering, making the feature available free of charge to customers of that bundle; (2) confirms the current practice of charging \$1.00 per month for an unlisted number for customers with other calling plans; and (3) reduces the monthly rate for the Safety+net Bundled Phone and Internet Offering with up to 150Mb download/10 Mb upload speeds.

Midway's Tariff M.P.S.C. No. 1(R) and the transmittal letter showing the sheets containing changes can be viewed at <http://telecommich.org/midway>.

The effective date of these tariffs is July 1, 2018.

Yours truly,

Scott Stevenson
President
